Event Overview

AEC PM Connect is a premier gathering designed to connect and empower AEC project managers with the insights, tools, and strategies they need to successfully deliver projects. This one day conference includes:

- **Public Sector Leadership Panel**

A spotlight panel featuring influential leaders from **city, state, and federal agencies**, sharing how they manage critical infrastructure projects and collaborate across sectors to deliver results that matter.

- **Two Distinct Tracks**

Experienced PMs Track

Advanced strategies for leading complex, high-stakes projects.

PM Developers Track

Insights and tools for those who coach, mentor, and support PM talent development.

- **Keynote by Dan Oblinger**

Former **hostage negotiator turned leadership expert**, Dan Oblinger delivers a powerful keynote on negotiation, trust, and communication—skills that are essential in AEC project success.
